## Under 6 Match Report 3<sup>rd</sup> July

On yet another beautiful Saturday morning our Under 6's prepared for a rematch with Kingborough. The last time we met the score was 6-1 to Woodbridge. That was the game that Derek and Caleb swapped shirts to help them. This time we had five players: Amber, Derek, Noah, Rory and Serafina. They had three subs. The game started with a lot of energy and in no time Noah had us at 3-1 with a lot of good support. Amber was in the thick of it at times and Derek made some nice breaks from the cluster. Rory seemed to want to defend most of the time, while Serafina was all over the place providing great defence and being a threat to their goal. The Lions then come back with a couple of goals to have the score at 3-3 at half time. Both sides had played really good football with excellent defensive displays from Woodbridge. For example, Rory's little flick off the back of the foot brought a lot of cheers and clapping from the sidelines. The second half was played at the same pace as the first, however Kingborough were the only team to find the back of the net. It was pleasing seeing the effort put in to keep the ball out of the net and the disappointment for several players that we had lost. I have had a philosophy of not pushing the team because of their age, and they have developed at their own pace. The disappointment suggests they will be more willing to listen to my suggestions etc, that is apart from Rory but that's one of the joys of coaching your own children.

See you Saturday

## Woodbridge U13 3<sup>rd</sup> July

### Woodbridge 1(Dylan Hall) - New Town Eagles 5

#### Woodbridge U16 3rd July - **Woodbridge 3 - South Hobart 1**

A great performance again this week from our Under 16 team, many of whom had competed in a school indoor soccer tournament at Huonville on Friday; a tournament in which they remained undefeated throughout and in which they had conceded no goals. It is testament to their skill, fitness and determination that Aiden, Bolan, Jordan, Kye, Phineas and Rainen had kept something in reserve for Saturday's game against South Hobart. Deans, had also played for the school team - scoring 2 great goals against Dover - but was unavailable for Saturday's match up.

The eventual score-line of 3 - 1 in Woodbridge's favour, belies the fairly even distribution of possession throughout the game. Woodbridge's defending though, was on fire; Rainen and Kye still pumped from the previous day's performances, plus Sindri and Jack who were calm and sure-footed, stymied the majority of South's attacks, letting precious little through to Aiden and forcing the visitors to mostly take ineffective shots from distance.

Woodbridge on the other hand displayed superior finishing in this game; Bolan grabbed the lead for the team about halfway through the first half and Phineas, who, about 5 seconds into the second half, demonstrated how shots from distance should go. But best of all a beautiful goal from an acute angle off Jy's new boots convinced us all that he is not jinxed after all, Hooray! Many thanks go to Jayden who agreed to play up with the older lads to give Woodbridge a full eleven players, he joined Riko and Jordan in a very effective, even if youngish midfield line-up. Excellent work.

Another great team performance, well done boys!

## Referee Training

The referee training has begun, at least the Monday night courses have, there may still be just enough time to register for the Saturday course but you will need to be quick. It is great to see that our small regional club made up 15% of the Monday night attendees and we have another planning to go to the course this Saturday. We'll let you remain anonymous until you are ready to make your debuts on the big pitch.
