## Under 6 Match Report 10<sup>th</sup> July

On yet another beautiful Saturday morning our Under 6's prepared for a rematch with Margate Gold. I apologise for the disorganised start because I was referring the under 11's right up to 11-00AM. The last time we played this team, the game was fairly close (we won 2-1). Woodbridge had Amber, Caleb, Derek Noah Rory Ruby and Serafina. The play was tenacious and it obvious that Margate was out to redress the result from last time. Noah was able to slot one goal in but Margate managed three for the half. Margate had been planting a player in our goal. I was tempted to ask their coach at Half time to stop that as it is against the spirit of play (as is planting a player in your own goal), however it may have looked like sour grapes considering the score. The play in the first half gave no indication of what would transpire in the second half. Amber and Ruby both got right into the play and it was definitely the best game I have seen from both of them. Serafina was her usual reliable self in defence and attack. Caleb and Derek both defended well and both were very close to scoring goals. Rory tried hard in defence but couldn't stop another three goals from Margate. Noah put in another two goals to bring the score 6-3. I don't think the score line reflected how well we played and I am really pleased in the improvement. I will not be available on Saturday because I am finishing my referee course. I would therefore appreciate a volunteer to manage the team at Huonville. Obviously there will not be any field preparation required and I assume their coach will referee both halves if asked to.

Good luck for Saturday

## U16 match report - of sorts

### **Woodbridge 5 - Clarence United 2**

The under 16's game on Saturday could be likened to a sandwich; Clarence provided the fresh full-grain bread with a goal at each extremity of the game, and Woodbridge supplied a flavoursome filling of five goals. The game began shortly after 11:15 am, by which time eleven Woodbridge players had arrived at Cambridge, which was ample cause for celebration in itself. Aiden, Deans, Jack, Rainen, Sindri, Kye, Nadirah, Jordan, Jy, Phineas and Bolan – a full squad! Forget sandwiches, break out the cake!

Perhaps we should therefore say that the game was a bit like a delicious sponge cake; Clarence provided the light and tasty sponge (ie goal) at each end of the game, and Woodbridge provided the ever-so-sweet, five-goal, jam and cream filling. Whichever way you slice it, this was an exciting game; a game which Clarence began early and emphatically with an awesome goal and a dusting of icing sugar. Woodbridge were a bit rattled; but spectators know from past experience that when the chips are down, this team gets frying - which kind of messes with the whole cake metaphor; but cake is never in the vicinity of teenagers for very long in any case.

So, in the first half of a game that was much more like a piping-hot, fresh from the fryer fisherman's basket than a sponge cake, Bolan and Phineas provided three sizzling goals between them (Bolan 2, Phin 1). Jordan had served up a beauty too, garnished with a sprig of parsley and a squeeze of lemon, unfortunately he was offside so the goal was dipped in tartare sauce and disallowed; never-the-less it still served to rattle the Clarence defence and worry their keeper. At half-time, when the teams retired briefly to the sidelines to find absolutely NO oranges (or squid rings for that matter) the score-line stood at 3 - 1 in the visitor's favour.

The second half was a different kettle of fish; crumbed and deep-fried (or perhaps not but this metaphor has a mind of its own) With several Clarence players committed to marking Bolan, Phin and Jordan were able to run riot in the midfield and Jy was freed up to remind us that the jinx has well and truly lifted. He peppered the Clarence goal with shots and ultimately provided Woodbridge with another two goals. The first was a borderline affair, only just crossing the line, but the second is etched firmly into spectators minds; a beautiful long pass from Sindri to Bolan who, with four opposition players converging, lobbed it across the field to Jy who salted it away into the back of the Clarence net. Clarence managed to plate up one more goal before the whistle sounded, to bring the full-time score to Woodbridge 5 - Clarence 2.

Awesome team play yet again from the Woodbridge guys and gal, a veritable feast of fantastic football.
