Weekend Round-up

Match Report U6's Woodbridge v's Huon Valley.
Saturday 17th July 2010 at Huonville.

"The Match that Nearly Wasn't"

The goals were set up, the pitch was marked out, the day was cool and sunny - the scene was set for another great match. The Woodbridge 3 of Amber, Noah, and Rory patiently awaited the arrival of the opposition, using up some valuable match energy in pre-match skirmishes. The Huon Valley 3 eventually rolled in with the rostering changes and sibling match clashes sited as contributing to the late show.

The three aside clash provided ample space for a free running end to end game. Both teams put pressure on goal with some lovely runs and intense goal mouth tussling. Noah again demonstrated his casual and seemingly effortless style in some dazzling centre runs , finishing off in a number of goals. Amber was tenacious on the wing and once clear of the pack she had some lovely runs with the ball putting pressure on the opponents and turning the tide in Woodbridge's favour. Rory kicked long and hard and ran his legs off both in defence and attack. He generously fed his team mates with some precision crossing in front of goal. He was very happy to land a couple in the net himself which had him "walking like an Egyptian" (you had to be there).

The 15 minute halves seemed like an eternity for little legs and there were signs of flagging energy from both sides with no subs in sight. They seemed to cope well with my facilitative and creative refereeing in the first half and came back to finish the game with renewed energy. Well done the Woodbridge 3!

Not The Coach
for
The Coach.

Under 9 Match report 17th July

Woodbridge SC - New Town

Apparently New Town could not field a team and a scratch match was played, a good time was had by all with thousands of goals scored, easily surpassing the measly 145 goals scored in the entire 2010 World Cup.

Under 11 Match report 17th July

Woodbridge 1 - Glen Huon 7

Woodbridge U13, 17th July

Woodbridge 0 - Taroon 10

Woodbridge U16, 17th July 2010

Woodbridge 6 (*Phin 3, Bolan 2, Deans 1*) - Kingborough Blue 2

The Woodbridge Under 16s played at home against a ten man Kingborough team on Saturday. You would imagine that would suggest a large win for the home team, however Kingo had a couple of really, really fast players, youngsters on loan from their mixed under 16 - 19 team; plus, even more worrying they had ex-patriot, and master of the midfield, Jack A.

So winning took some doing.

Fortunately for the home team Phineas was on fire, so we doused the flames and sat back and watched in awe as he proceeded to chalk up a marvellous hat-trick, two goals in the first and another in the second. Bolan, manning the fire extinguisher, managed to pop in a couple for the home team too and Deans cleverly converted a fantastic pass from Jy on the wing, to bring the Woodbridge tally to six.

It was a great team effort yet again, precious few mistakes were made, and those that were, were swiftly punished, giving the Kingborough lads 2 goals to our 6. Don't despair though Woodbridge, one of those goals was scored by a very talented, very fast Kingborough lad who is so good that he usually plays – and scores (8 times and counting) – against 17 to 19 year olds.

So well done Woodbridge, once again some fantastic team work and great, skilled play.
