## Under 6 Match Report 24<sup>th</sup> July

On yet another beautiful Saturday morning (now I am getting worried about where our water for summer is going to come from) our Under 6's prepared for a match against Glen Huon. Woodbridge had Amber, Caleb, Noah Rory Ruby and Serafina. Noah, in usual fashion thought a goal within one minute of the start was the way to go. Serafina was not to be outdone and also slotted one home. Glen Huon come back with a good reply, then Noah with a lot of help from the team made it 3-1 at half time. After the obligatory orange skins were spread around the ground, it was all on again. Unfortunately, Glen Huon must have used red cordial rather than the traditional oranges at half time and some of their team were a bit hard to get focussed. Caleb was having a good game and I would suggest he was robbed of a goal when Noah slotted his third goal home. Noah said he had passed it to him, those at the ground would use another verb. Rory was playing his usual game and nearly scored a couple of times and Ruby and Amber hadn't lost their enthusiasm that they had displayed two weeks previously. Glen Huon scored another goal, so Serafina decided that 5-2 had a better ring to it and that was how the score ended. It was a good effort all round and thanks to everybody for handling the substitutions.

## Woodbridge U13 Youth Plate Semi final

Woodbridge 0 Vs Clarence United 11

WSC Under 13s were knocked out of the Youth Plate competition by a Clarence team that are **second on the Under 13 DIVISION 1 ladder**. Forget the score line and remember that **our under 13 team competes in DIVISION 3** and has several younger players in its ranks; so actually this team is pretty awesome to have come this far in the first place!

## Under 16 Youth Plate Semi final

Woodbridge 0 Vs Huon Valley 2

It was a great team effort by the Woodbridge (combined Grade 8,9 and 10) Under 16 team against the Huon Valley team; one of whom was a Hobart College student. The player of the match was probably the Huon Goalkeeper who managed to keep out an unending barrage of strikes from the Woodbridge attack.

(from the WSC web page: <http://woodbridgesoccerclub.yolasite.com>)

Had you been at Woodbridge Oval on Saturday afternoon, glancing occasionally at proceedings on the pitch, you might well have thought that Woodbridge was winning their Youth Plate semi final encounter with Huon Valley.

No doubt you would have admired Woodbridge's blistering attacks on the Huon goal. You would have seen the ball sailing repeatedly towards the net only to be thwarted at the last moment by the Huon Keeper. You would have seen spectators rising from their seats in anticipation then sinking back, disappointed, seconds later. It was a roller-coaster ride of emotion.

If the game had been all about possession, Woodbridge would have scraped 4 - 3 win, had it been all about shots on target, it would have been somewhere in the vicinity of a 10 - 4 win for the 'bridge.

Unfortunately the game was decided on goals scored.

None of ours went in.

## **Woolworths Grants**

There is a rumour going around that we have won a grant to the tune of around \$1000. Sshhh....you didn't hear it from me....

Well done Jafar.

Watch this space for the official press release

## **Just for Laughs**

### **I'm not saying the manager is naive but...**

Blindfolding the goalkeeper to calm his nerves during penalty shoot outs just isn't working

The 6-5-1 formation he put out last Saturday was spotted by the referee straight away

Putting the ball boy on as a substitute is just asking for trouble

## Three friends

The football club dance was in full swing when three strangers arrived and demanded admission. 'May I see your tickets, please?' said the club secretary at the door.

'We haven't got any tickets,' said one of the men. 'We're friends of the referee.'

'Get out of here!' said the club secretary. 'Whoever heard of a referee with three friends?'

## Reasons to become a referee

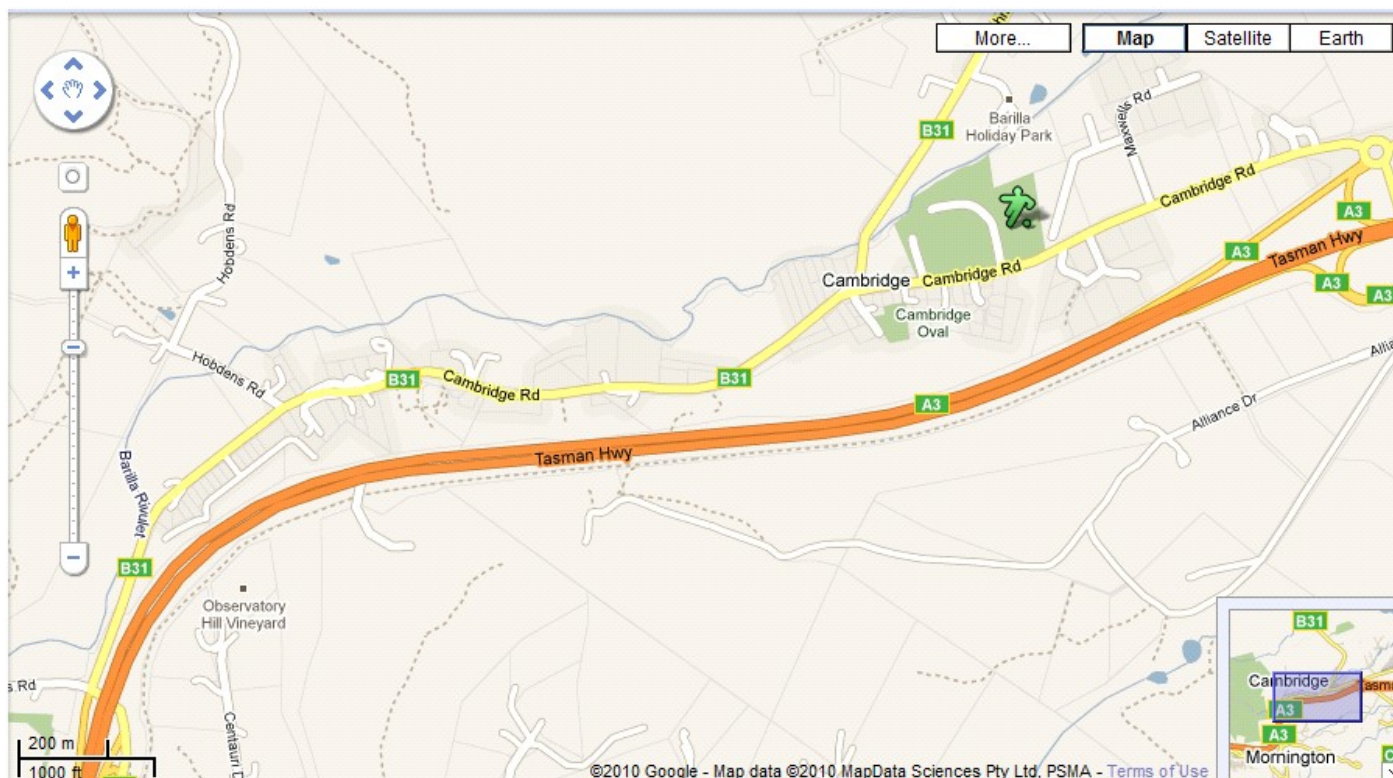

You love football, but can't quite understand the rules

You have the strange desire to run aimlessly around in the wind, rain and snow

You love the sound of verbal abuse

You find it hard to make decisions and whenever you do you always wrong
