From the President

Welcome back to all of our junior and youth players and families after a couple of weeks of school holidays, it was a well earned rest for many of our volunteers and players. I hope you are all enjoying the quality football coming out of South Africa at the moment. As always in any sporting event there will be surprises and upsets, heroes and villains, the ultimate winner is this beautiful game that we are all part of.

Dalles Hayes.

Socks

The sock order should be in any day now, once they arrive they will still be \$8 a pair and will be available at the clubhouse. We apologise for the delay and thank everyone for their patience.

Just for Laughs SOME QUOTES FROM FOOTBALL COMMENTATORS (Listen out for more from South Africa)

Well, it's Ipswich nil, Liverpool two, and if that's the way the score stays then you've got to fancy Liverpool to win.

Peter Jones

When one team scores early in the game, it often takes an early lead.

Pat Marsden

He had an eternity to play that ball, but he took too long over it.

Martin Tyler

Everything in our favour was against us.

Danny Blanchflower

There will be a game where somebody scores more than Brazil and that might be the game that they lose.

Bobby Robson

Our goalkeeper didn't have a save to make in 90 minutes, and yet he still ended up conceding four goals

Joe Royle

Ian Pearce has limped off with what looks like a shoulder injury

Tony Cottee - on Radio 5 Live

You only get one opportunity of an England debut
