

Woodbridge SC Newsletter

April 22nd, 2010.

From the President

When it rains football for Woodbridge it is an absolute downpour! We had our first junior games at Woodbridge on Saturday and Lightning premiership games in town for the youth also on the Saturday, followed up by the two senior games on the Sunday. It is a credit to our small group of hardworking volunteers that consists of parents, players and football tragics that our small club has such a strong presence within the Southern Tasmanian Football community.

At present we have 87 registered players with a few more to go on the system in the next few weeks. We have more than doubled our numbers from last year, once again due to the efforts of an even smaller group of volunteers that have been working towards this since last season. Well done folks.

Dalles Hayes.

Weekend Round-up

Our three junior teams took the pitch amidst a confusion of marker cones and oversized shirts, in hindsight it was possibly only the adults that were confused. Considering that we had a lot of players taking the pitch for the first time and teams that really only came together on the day all of the results can be considered respectable.

I don't have scores for the under 6's but I know we scored at least 4 goals, if your child plays in this team and you are able to put together match reports please talk to John Gorrie the coach.

Our under 9's went down 1-9 to Princess St Thunderbolts and our under 11's went down 2-7 to Margate Green. This was a great effort from both teams and also from Jodee Hurst who is working overtime to get both of these teams onto the pitch each week. Out of respect to the children in these teams we do need 2 parents to come forward and takeover training and management of one of these teams. Please see Jodee if you think you may be able to help, also a parent from both teams to write match reports would be excellent.

Our under 13's came together on the pitch for the first time for three 20 minute games on Saturday in the Lightning Cup at the showgrounds in Hobart. We had a win against DOSA, went down by a rather large margin to Glenorchy Knights,

and went down by 4 to South Hobart. It was a fantastic effort due to the inherent talents of all of the players involved. With a bit more training under their belt they will be a formidable outfit to look out for this season.

The under 16's also took the pitch collectively for the first time however there were many combinations of players that have been playing together on and off since the beginning of this club. This was apparent in some of the team work that took place during their three games. They were victorious against Kingborough Lions Blue and Nelson - Mackillop and drew with Huon Valley.

Well done to both of the youth teams and the parents that managed to get them there. A link from our website <http://woodbridgesoccerclub.yolasite.com/> will be available soon for match results and ladders for this youth competition that will continue again at a later date throughout the season.

The senior women lost 2 - 0 to Southern FC but as this was the first time they took the pitch with 11 players this is a respectable outcome. It was a great performance against one of the better teams in this competition.

The senior men continued their winning form against Barnestoneworth United on Sunday, coming away with an 8 - 1 scoreline. This has put them at the top of the ladder, goals went to Jack Turner 4, Rob Howes 2, Ryan Hartshorn 1, John Owen 1. For a detailed match report check out this week's edition of the Kingborough Chronicles courtesy of John Owen.

Registration Fees

Our fee schedule is as follows:

Seniors - \$180

Under 19's - \$150

Under 16's - \$110

Juniors - \$60

We require a part payment for all fees by the end of this month, if there is a problem with this; please talk to either team coaches or someone on the committee. Late payments will cause a serious cash flow problem within the club as we have paid over \$3 500 in fees in advance to Football Federation Tasmania already.

Volunteers

We have a dedicated group of volunteers that have been working overtime to ensure that things are running smoothly not only at training and match days but also taking care of many unseen things during the week. Our committee, consisting of myself, John Owen, John Gorrie, Jafar Clark, and Kerry Hopkins have been working in varying capacities since late last year. Alio has been working away somewhere in the depths of cyberspace now for many years. Check out the new website she is trialling

<http://woodbridgesoccerclub.yolasite.com/> your comments and input would be much appreciated. Whilst Jodee Hurst has retired from her canteen duties she is working just as hard this year coaching.

More recently Audrey Murison and her mother Noeline have volunteered their time in the canteen as has Jess Taylor, Audrey's partner has also volunteered his time wherever it is needed. The club is only as strong as its volunteer input and every little bit is greatly appreciated.

Next Games

Under 6	Sat April 24 th 10am	St. Aloysius Tigers	@ Woodbridge
Under 9	Sat April 24 th 11am	West Hobart Green	@ Woodbridge
Under 11*roster updated	Sat April 24 th 10am	Huon Valley Blue	@ Woodbridge
